American Nazi Murdered!

Boulder, Colorado, nestles at the very foot of the towering crags of the Rocky Mountains. Even in summer, you can look almost straight up the face of the mountains and see snow. But often the tops of the mountains are thrust far up into the clouds and can't be seen at all.

Most of the town below is made up of the campus of the University of Colorado.

When young James Pearson first walked into town to become a Freshman engineering student at the University, he little knew what was to happen to him in those grey grags over his head.

Pearson was one of the young men converted to fanatic dedication to love America, the White Race and Constitutional Government by our college and school speeches and literature. Although I advise our people in colleges everywhere to remain undercover and join either enemy organizations or the YAF or Birch Society, if they want to stay in college, young Pearson was too pure in heart for such deception. In his second year he insisted on coming right out with it, hung a Swastika in his room and tried to launch a group he called "YAN", Young American Nazis!

Portions of a letter from Pearson to me, as a result of his efforts on behalf of what he believed with all his heart and sould are printed on page 3.

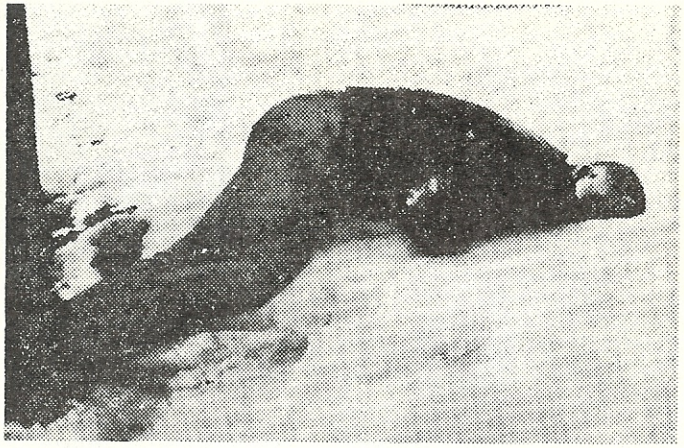
Note that he said he expected "extreme measures" against him!

Those "extreme measures" were already brewing up all around him as young Pearson went about his studies.

In nearby Boulder was an attractive divorcee, Joan Gardner Brown. She was 29, with long, beatnik blond hair and the usual liberal morals and ideas. She liked to go parachute jumping holding hands with a Jew named Al Kaplan. Her ex-husband had gone to Cuba during the Castro Revolution. She later claimed to have been in a Jap concentration camp.

I was unable to learn all the sordid details in my investigation out there. But, I did learn that Mrs. Brown, although allowed to teach grammer school kids was known on campus as a hell-raising push-over, ready for just about anything! She was arrested for shooting up a party, and often went on drunken motor-cycle rides in the night. (In the face of this, the liberals are still screaming against fingerprinting or investigating teachers!)

This woman, from what motives and under what circumstances we may never know, managed to get James Pearson interested in her, -probably in the immemorial manner of such women. -Continued next page



SLAIN STUDENT — This was the way the body of James M. Pearson, 20-year-old University of Colorado student, lay in the snow when it was discovered Tuesday. The location was at the south edge of Boulder, just below the Bluebell Canyon picnic shelter house, which is near the Chautauqua grounds and the Flatirons rock formations. Two bullets killed Pearson. (Sheriff's Office Photo)

U.S. NAZI MARTYR SHOT TO DEATH!

She also took care to get Pearson's dorm-mate, 18 year-old Charles Self, interested in her, -to put it mildly. Charles Self was insanely jealous and went into rages when blonde Mrs. Brown went out with anybody else!

On the night of March 16th, 1965, she managed to get both James Pearson and Charles Self out with her at the same time. Trouble was predictable. But only a warped, hate-filled Jew-loving mind could have foreseen just how MUCH trouble, and such BLOODY trouble.

The trio argued in several bars. Then all three disappeared into the blackness of a tiny mountain road, leading into a blind canyon, far up in the grey crags over Boulder.

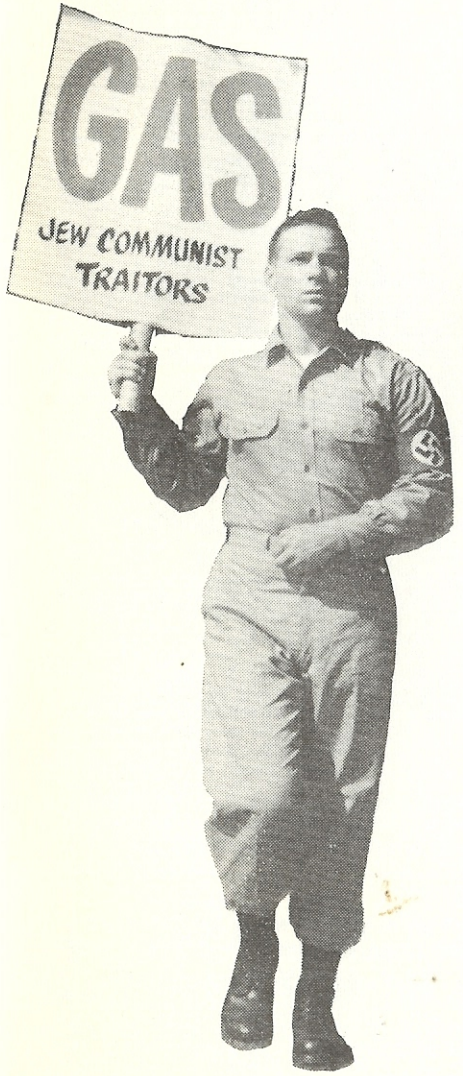
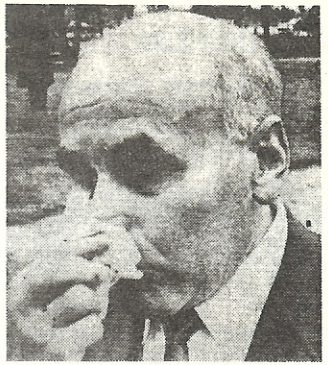
BIG LIE OF 6 MILLION!





Jew "survivors", spotting U.S. Nazis, go into their big act.

In Washington, D.C. during VE Day Senator Robt. Kennedy led a group of former Jew concentration camp inmates past the White House.

The usual Jew-scene of tatooed arms and cries of: "Oi! I vas gassed 17 times!" could be heard throughout the phony Jew demonstration.

On hand to greet the fakers was a squad of U.S. Nazi Stormtroopers. One newspaper described the look of horror on the faces of the Jews when they saw the American Nazis carrying signs calling for the gassing of Jew Communist TRAITORS!

The Jews had been urged not to come to Washington to demonstrate because this would bring out the American Nazis which could mean big trouble. One newspaper pleaded with the Jews not to come to Washington because the President "had enough problems!"

6 Million Lie -Continued

It is most unfortunate that nearly the whole world has fallen victim to what can be called the greatest lie ever perpertrated on humanity!

The lie is that six million Jews were exterminated by the German Nazis.

There were NO gas chambers at Auschwitz, Dachau, Bergen-Belsen and Buchenwald as Bishop Neuhaeusler of Munich has written and the Institute for Contemporary History as early as August, 1961, had to acknowledge. (Bishop Neuhaeusler was placed in numerous concentration camps for his pro-Red activities).

The International Lost Persons Office in Arolsen possessed the FULL lists of ALL concentration camp inmates. These show that from 1933 to 1945 in all the German concentration camps only 530,000 persons were interned, including those eventually released, liberated, or deceased.

Never On Sunday!

SHORT STORY

In Germany these days there is an excessive concern not to get tangled up with expressions of anti-semitism, however mild the form. All the same there is a reaction even to this.

The story is told of a traveller in a Federal Railways sleeping car who was wakened by a polite knock on his door.

"Would you please lend me your soap?" asked a fellow-traveller.

The first man half asleep, but anxious to be friendly, struggled from his bed, opened his toilet case and handed over the soap.

"Thank you, you are very kind."

He crawled back on to his bed and began to settle again. It was very early in the morning. He had a long way still to go.

Just as he was losing consciousness, the door opened. It was his "friend."

"I beg your pardon. Would you please lend me your towel?"

Without replying, the first man again got out of bed and passed over the towel. The door closed. He settled down. This time he would sleep. He did. But not for long.

Again the door swung open. The man pretended to be soundly asleep. His visitor shook his shoulder.

"I would like to ask you something. Would you please lend me your toothbrush?"

The tormented man, drawing the line at that, said "No."

His visitor snorted and said bitterly: "Ah. You refuse. Because I'm a Jew, isn't it?"

LET'S GET IT STRAIGHT ABOUT THOSE

So-called Negro "Youths"

THE PHILADELPHIA INQUIRER, TI

Faces Jury in N. Y. Subway Tragedy

Slaying Suspect Surrenders

NEW YORK, March 17 (AP).—A 6-foot-4 Negro youth, shepherded by his older brother, surrendered to police Wednesday and was charged with the subway slaying of a white teenager. Relatives said the suspect was imbued with racial hatred.

The defendant, 210-pound Christopher Lynch, 17, was described by his sister as a follower of a black nationalist sect she could not identify by name. She added:

"They teach him to, you know, hate the white man. All this that happened is the organization's fault. He's too young to think for himself. He's easily led."

Lynch — jobless 8th grade dropout, sensitive because of his size and known on the streets as "the big giant"—was held without bail in the knifing last Friday of Andrew Mormile, 17, a high school senior, on a Brooklyn subway train. The district attorney's office described the killing as "without reason or cause."

Lynch was taken before Justice Alfred Cawse, Jr., in Brooklyn Adolescents Court. The charge against him, however, was homicide, which subjects him to the same prosecution as an adult. He was held for the grand jury.

Lynch had been the object of a 15-state manhunt since late Monday when a teenaged friend of his told police he saw the Mormile boy slain.

Shortly before dawn, the husky Lynch surrendered when he walked into a Harlem stationhouse with his brother, Roger Lynch, 28.

Police had attributed the knifing of Mormile—riding home to Brooklyn after a date with his girl friend in Queens—to the victim's refusal to give cigarets

to two roistering Negro youths. The pair had chased three Negro girls into the first car of the subway, where Mormile rode.

Lynch surrendered after the arrest late Monday of Terry Toomer, 18, described by police as Lynch's companion at the time of the slaying. Toomer was held in $25,000 bond as a material witness, after he agreed to cooperate in the investigation. He was not charged.

Ten passengers sat transfixed in the independent subway as Mormile died face down on the floor. A knife was plunged into his head with such force that his skull was fractured.

Above we reproduce a sample of just one of hundreds of news stories now becoming standard items in the nation's press.

The press, in order to play down the black menace, continually depicts the offending black criminals as "youths". Just read the description of one of these so-called "youths"! HOW MANY FULL GROWN MEN measure up to the size and weight of the Negro "youth" described in the article? This is NO "youth". This is a huge black animal preying on decent people!

Thousands of such black fiends stalk our city streets looking for victims! In New York City recently, Police arrested a 15 year old female nigger for stabbing two white boys, one of whom died. At 15, she committed her first murder. Police described her as "husky" and weighing more than 165 pounds!

In Philadelphia, seven of these so-called "youths" attacked and raped a 15 year old white girl on her way home after baby-sitting. As the nigger "youths" dragged her screaming down into the subway, six Negro adults stood

by and watched! A young white sailor, 23 year old James George, heard the girl's screams and ran to her rescue. Naval Airman George, was set upon by the niggers and beaten. He broke away and called Police who rounded up the niggers.

These ARE NOT isolated incidents! These crimes against white people are occuring every day with alarming frequency. Our women are being attacked and raped; our children are being assaulted and abused; Our whole society is being terrorized by predatory Negros!

Probably some liberal swine lawyer will defend the nigger rapists and claim the victim was actually a girl of ill-repute who invited the "youths" to have relations with her.

8 Seized in Rape Of Girl in Subway

By LES FULLER

Police have rounded up eight young suspects—all members of a North Philadelphia juvenile gang—in the rape of a 16-year-old New Jersey girl in a midcity subway station.

The arrests last night and early today climaxed a round-the-clock police search. The assailants attacked the girl in the Broad and Vine sts. station Saturday night, beat off a sailor who came to her rescue and then dragged the girl down onto the tracks before fleeing into the darkened subway tube when a policeman opened fire.

Police said the suspects were members of the 12th and Poplar Streeters. They admitted attacking the girl after they were turned away from a dance at the Hotel Philadelphia, Broad and Wood sts., police said.

ARRESTED WERE: Ronald White, 15, of Sartain place near Parrish st.; David Alston, 17, of Franklin st. near Spring Garden; Ronald Tremeble, 13, of Jessup place near Parrish st.; Frank Harris, 15, of Price st. near Musgrave; Gregory Parker, 15, of Jessup place near Parrish st.; Sidney Hall, 16, of Tulpehocken st. near Musgrave; and Kenneth Young, 16, and his brother, Steven, 15, of Huntingdon st. near Germantown ave.

They were charged with rape, aggravated assault and battery, robbery, disorderly conduct, sodomy and conspiracy. The eight were confined to the Youth Study Center pending a hearing.

Plainclothesman Frank Washington, who led a 20-man team on a 36-hour hunt for the assailants, said the suspects told police they had been "drinking a lotta wine" before the attack.

Washington also said the girl was "definitely raped."

THE VICTIM, whose name is being withheld by the Daily News, was treated for cuts and bruises at Hahnemann Hospital and returned to her home in Almonesson.

She decided to take the subway and walked north on Broad st. to the Race and Vine sts. station.

While waiting for the train, she said she was grabbed by the gang and dragged screaming behind a set of steps and her clothing ripped and torn. She was finally dragged down onto the track bed.

A SAILOR Airman James George, 23, who is stationed at the Willow Grove Air Station, rushed to the girl's assistance but was beaten off by the attackers. Bleeding, he fled up onto Broad st. where he hailed Policeman George Faustino.

"I tried to save a girl from being raped," he told Faustino, pointing to the subway.

Faustino said when he rushed down onto the northbound platform, he saw five youths fleeing up the steps at the other end. He spotted the girl near the steps surrounded by a group of Negro youths who fled down the tracks when they saw him.

The False Cry Of Police Brutality

Too often we hear the Negro "Civil Rights" movement attack our Police Departments with loud cries of "Police brutality". The chant of "Police brutality" has become a standard slogan of the Black Revolution!

Today, our Police Enforcement agencies find themselves under constant attack by nigger agitators and liberal action groups. The purpose of these attacks is to "neutralize" the Police and tie their hands so that they can do nothing to interfere with the Black Revolution!

In fact, one of the very first things the reds did when they staged their revolution in the Dominican Republic was to drag out the entire police force of 600 men and shoot them!!

Animal vs. Animals

A police dog, "Sherlock," and his handler, Police Officer Robert Wallrath, rode a Philadelphia subway train early Thursday in a new move to curb disturbances on subway trains and in stations. The teams of officers and dogs were ordered after a 15-year-old girl was attacked as she waited for a train.

recognize that strong and effective Police Departments stand in their way for the control of the streets and the "freedom" to riot and demonstrate.

Negro agitation groups, hiding behind the mask of "Civil Rights", are demanding the creation of "Police Review Boards" to be run by civilians. These "Review Boards"will hear complaints of "Police brutality" and are to have power to discipline Police Officers and dictate Police policy!!

WHITE MAN! ...What does it take to make you FIGHT?

Bride-to-Be Choked Unconscious, Raped

A tiny brunette secretary, decorating her wedding apartment in Brooklyn, was choked into unconsciousness and raped yesterday afternoon, then beaten and stomped when she revived and attempted to call for help. Later she was reported in serious condition at Kings County Hospital with facial injuries and several broken ribs.

Police of the Empire Blvd. station said the 41-year-old victim planned to marry next week. She was hanging curtains at 2 P.M. in her new apartment on Washington Ave., across from the Brooklyn Botanic Gardens when the intruder entered on the pretext that he was to pick up some Venetian blinds.

Describes Intruder

She described her assailant as a Negro, about 20, wearing a white shirt and dungarees. When admitted, he turned on her suddenly and choked her, the cops said.

Child Murdered

Knocked her to the floor and stomped her, and she again lapsed into unconsciousness. When she came to, her screams were heard by other tenants who came to her help.

Can't Identify Suspect

Detective John Kelly said that two radio cops found a suspicious character lurking in the bushes near the Botanic Gardens, but the victim could not identify him.

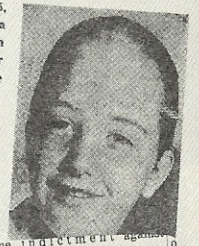
Last Sept. 29, in the adjoining apartment building, a 50-year-old housewife was raped and robbed, also by a Negro.

A Gang, a Girl ... Then a Brutal Attack

A pretty white girl, 15, was savagely beaten by a group of young Negroes in an unprovoked attack near her Bernal Heights home Monday night.

Slugged repeatedly and stomped on after she fell to the sidewalk, Brenda Corral suffered possible head and internal injuries. She was in "fairly serious" condition today at St. Luke's Hospital.

Her mother, Mrs. Sally Corral of 307 Nevada St., said angrily, "The indictment against the [illegible] indictment alleges that"



Hooded Rapist In Girls' Room

Choir Singer Raped In Annunciation School

By WALTER GOLD
Star Staff Writer

A 29-year-old Washington woman was raped and robbed last night in the basement of her church school in Northwest Washington after she had gone there for choir practice.

District police said that a man forced the woman into the boiler room of the Church of the Annunciation School at 3825 Klingle Place NW and fled with her pocketbook containing about $100 after the attack.

The woman, who is married and is an executive assistant at the Chesapeake & Potomac Telephone Co., was treated for shock at Georgetown Hospital and later returned to her Northwest apartment.

The attack recalled the one that occurred in July, 1962, when a woman was beaten and stabbed as she knelt in prayer at a Capitol Hill church.

Police Inspector Nunzio Bonaccorsy gave this account of last night's attack:

The woman got off a bus about 7:45 p.m. in front of Washington Cathedral at Wis- [illegible]

When she found the church locked, she returned to the school, entered the vestibule and was looking for a light switch when she noticed that a Negro man in his early 20's had followed her inside.

She told police she asked the man, "Are they having choir practice here?" and he replied, "No."

Uneasy at the man's presence, the woman asked him what time it was. He started to look at his watch but suddenly came at her when she spotted a small rope he held in one hand.

The woman backed away but the man looped the rope around her neck, twisting it tighter as she struggled. He then forced her through a hallway, trying several locked doors as they went, until he found a doorway unlocked leading downstairs to the boiler room.

Pushing the woman, who is white, through the doorway and down the steps, the man forced her to lie on the floor. Later, he placed a cloth over her face, told her to remain quietly on the floor or he would kill her.

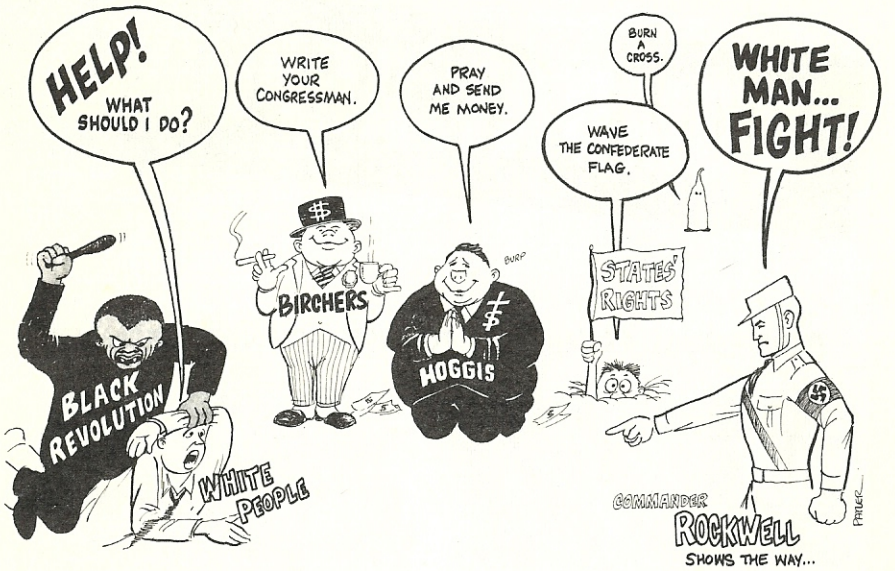
Bandits Shoot 2; Both Rape Girl

GLADEWATER, TEX., April 21—(AP)—Two men shot Jimmy Stanford and his girl companion early Wednesday. Both raped the girl.

Stanford was shot through the head and shoulder and dumped into a creek. He survived in critical condition and underwent surgery.

The girl was shot four times in the face, and also was in critical condition. She said two Negroes forced their car from the road. Stanford was shot and dumped in the creek. The girl then was raped by both men and shot four times. She managed to reach the road, flag down a car and get to a hospital.



Editor Beats "Disorderly" Charge

Captain John Patler, Editor of the Stormtrooper magazine was found not guilty of charges of "disorderly conduct" and "breach of the Peace" in Washington District Court last month.

Capt. Patler was arrested when he refused to stop picketing in front of the White House against a group of race-mixers staging a sympathy demonstration for the nigger cause in Selma, Alabama.

Acting as his own defense counsel, Capt. Patler questioned the police lieutenant who arrested him and proved that no "breach of the peace" or "disorder" had occurred. Capt. Patler proved to the court he was within his rights to picket the White House.

After hearing both sides, the judge found Patler not guilty and released him. Appearing as a witness for Capt. Patler was Lt/Col. Allan Welch, Deputy Commander of the American Nazi Party. Lt/Col. Welch testified that he saw police arrest Capt. Patler for picketing but did not arrest the civil-rights demonstrators who were also picketing.

Jews Seek Outlaw Of American Nazis

Two Democrat Jew State Representatives in Pennsylvania, Charles Weiner and Thomas Kalman, have introduced a bill in the Pennsylvania Legislature to outlaw the American Nazi Party and declare it an "illegal revolutionary" organization.

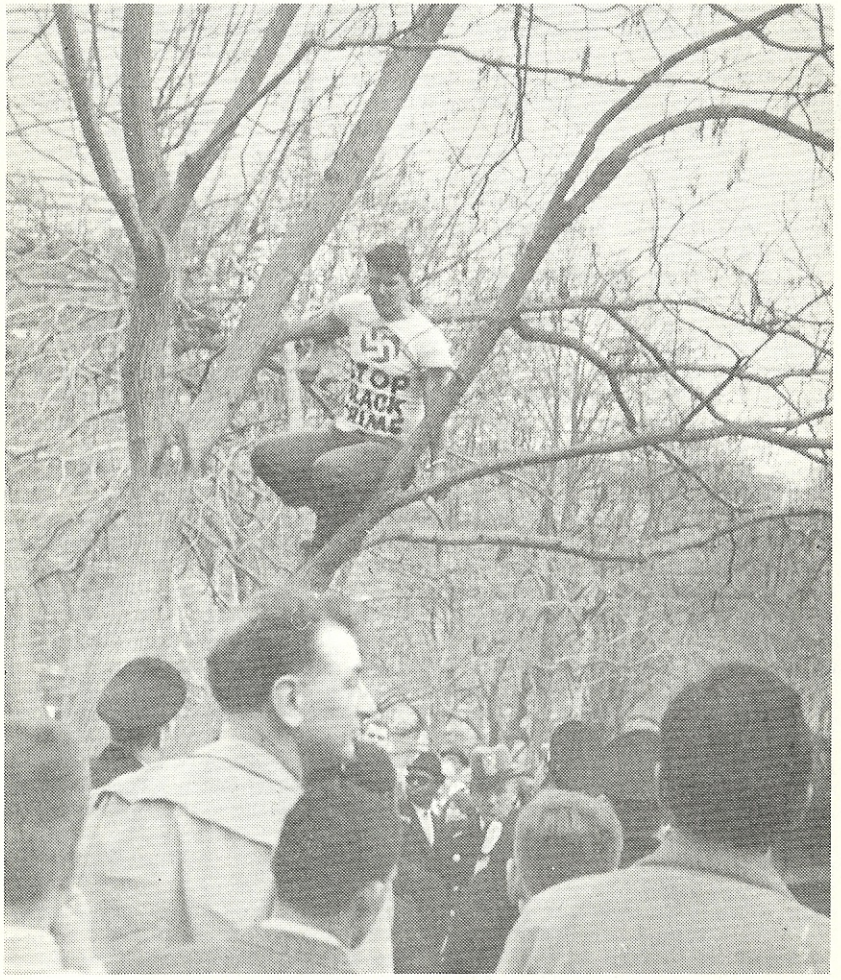
The Communist Party is the only organization in Pennsylvania outlawed as an illegal revolutionary group because they advocate the violent overthrow of the U.S. Government.

The American Nazi Party is a strictly legal movement which does not advocate the violent overthrow of the government.

This means it would be virtually impossible to list the American Nazi Party as a subversive group. The ANP plans to bring the matter before the courts and have the bill declared un-Constitutional.

COMBAT REPORTS

PARK POLICE CLIMB TREE TO DISLODGE NAZI AT RALLY



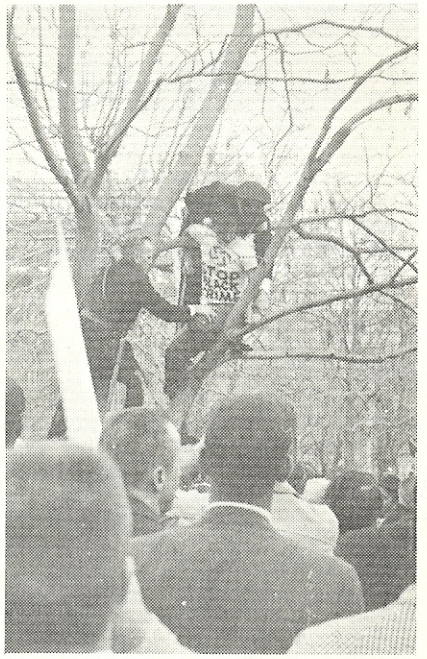
U.S. Nazi In Tree Disrupts Nigger Rally

While thousands of niggers, peace-creeps and other assorted subhuman scum were demonstrating across from the White House in Lafayette Park, Stormtrooper H.H. Booker II climbed up a tree, handcuffed himself to a limb, and began to shout anti-nigger slogans. Booker was wearing an undershirt brightly decorated with swastikas and the slogan: "Stop Black Crime". Police had to break the limb to get Booker out of the tree.

Meanwhile, across the street from the nigger meeting, nine Stormtroopers of the American Nazi Party picketed with signs exposing the increasing nigger crime rate. Niggers commit more than 80 percent of all national crime, yet they constitute no more than 20 percent of the entire population.

Newspapers constantly play down nigger crimes against white people and instead portray niggers as "persecuted victims" of white man prejudice!!

While the Nazis picketed and chanted, five members of the Pennsylvania unit who had come down to National HQ especially for the demonstration, rode around Lafayette Park with a Volkswagon bus decorated with swastikas and brightly painted signs with the slogan: "WHO NEEDS NIGGERS?"



Washington Police make effort to dislodge American Nazi Herbert Booker from tree!

U.S. NAZI FREED OF CRIMINAL LIBEL CHARGE

Jewish attempts to suppress Freedom of Speech fail again! Party Member Russ Roberts, 63, of Farmington, Michigan, was freed of charges that he "libeled the Negro race" by passing out "boat tickets to Africa".

In Farmington Municipal Court, Judge Pheney granted a motion to "quash" to Russ Roberts at a hearing on charges of Criminal Libel. Attorneys for Mr. Roberts argued that the boat tickets could not conceivably libel the "entire Negro race". If the boat tickets had been specifically directed at one individual or an identifiable organization, the charge of libel might stick. The attorney arguing the case for Mr. Roberts was Allen C. Ingle, a local Justice of the Peace. Mr. Ingle also contended that Mr. Roberts was perfectly within his rights, according to the U.S. Constitutional provisions of Freedom of Speech, to pass out the tickets.

RUSS ROBERTS, White Patriot

All attempts to jail this long time patriot failed. A Farmington Municipal Court Judge dismissed charge of "Criminal Libel".

Attending the trial were three members from the Headquarters Division of the American Nazi Party. Acting as observers and advisers, Capt. John Patler, 27, and Stormtroopers Allen Vincent, 32, and Bobby Pace, 19, arrived from Arlington as personal emissaries of Commander Rockwell to see that justice was done in the Roberts case.

THE MERRY MEN of Arlington. From left to right: Capt. John Patler, Storm Trooper Allen Vincent, and Storm Trooper Bobby Pace. These three American Nazi Party stalwarts came up from their party headquarters, in Arlington, Va., to make sure that justice was done in the libel case of Farmington Hitlerite Russ Roberts. Capt. Forbes Attacked!!

Niggers Assault West Coast Nazi Leader

The Battle for California is raging. Captain Ralph Forbes, Western Division Leader of the American Nazi Party, was brutally assaulted by eight niggers when he single-handedly picketed 800 nigger civil-rights demonstrators in Los Angeles.

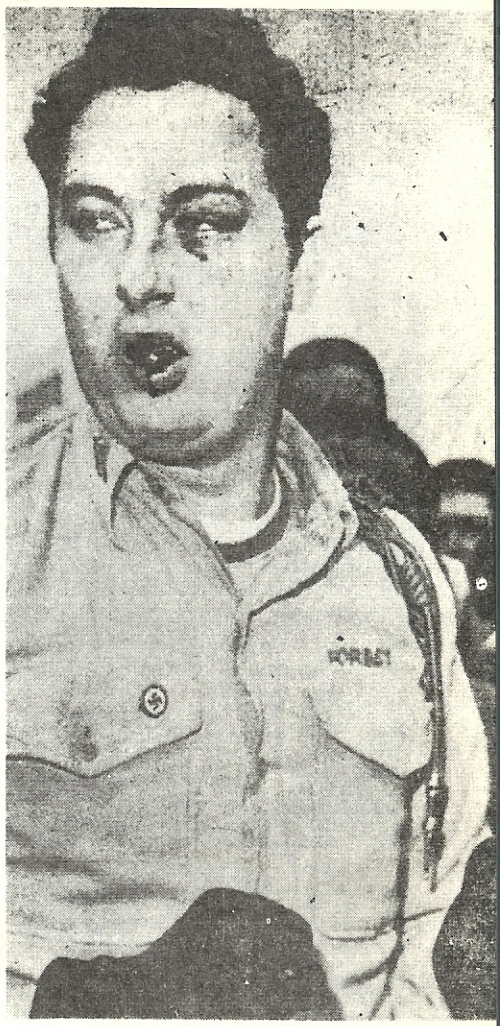
Because of "civil-rights" political pressure, police keep a far distance from all nigger demonstrations. This was the case when Capt. Forbes counter-picketed a demonstration by the Student "Non-Violent" Coordinating Committee.

When the niggers spotted Capt. Forbes, two hundred of them broke loose from their "non-violent" demonstration and started after him. Capt. Forbes got across a busy intersection which cut off all of the niggers except about eight of them. Seeing no way out, Capt. Forbes turned and stood his ground to fight it out with the niggers.

The niggers surrounded Forbes, jumping him from behind, and knocking him to the ground. While Capt. Forbes was down, the niggers began kicking him in the face while shouting the words "non-violence"! "non-violence"!

A favorite nigger tactic is to jump a man and get him down and kick in his face. Capt. Forbes lost some teeth and required medical attention. Police, who viewed the whole affair, did nothing to aid Capt. Forbes or arrest any of his assailants. Thus we see how powerful the minorities have become.

While Capt. Forbes was getting his head kicked in, the John Birch Society, which has continually smeared Forbes and his Nazis, meet quietly in the comfort and safety of their homes. You don't win a war by staying at home, sipping tea and accusing those who DO the fighting of being enemy agents. Those Birchers who have smeared Capt. Forbes should now hide their yellow heads in shame. Have you ever heard of a Bircher getting his head beat in--or doing anything more than attending a peaceful meeting?



ATTACKED — Ralph Forbes, Glendale self-styled leader of Nazi Party, was beaten after attempt to picket Civil Rights demonstration in L.A.

TRIAL STARTS—Self-styled Nazis went on trial Wednesday in Glendale Municipal Court on charges of violating city building code. Attorney A. L. Wirin, left, friend of court, and Wendell B. Will, right, court appointed lawyer, discuss use of the Forbes residence as meeting place with Ralph Forbes, second from left, and Robert Giles, second from right. Other defendant is Robert Hemphill.

Capt. Forbes Convicted: He Will Appeal!

Captain Forbes won a significant victory when he went to court and forced the local city government of Glendale to turn on the electricity in the local Nazi Headquarters. The city, in an effort to force Forbes out of the building he and his family occupy, originally demanded a $500 bond as "security" before they would turn on the lights!! The building serves as the U. S. Nazi HQ for southern California and a residence for Forbes and his family. Bringing the issue to court forced the city to accept the standard deposit fee of $25.

In Municipal Court this month, Capt. Forbes was convicted for "violating a building ordinance" which prohibits meetings in the Nazi building. The Zoning Commissioner testified that he had not informed Forbes of the violation, a move which is standard procedure before legal steps are initiated.

The trial was the longest misdeameanor case in Glendale's history--fourteen days and almost 1,900 pages of transcript.

Immediately after conviction, Capt. Forbes, acting as his own defense counsel, notified the court of his intention to appeal. Forbes will base his appeal on the unconstitutionality of the city ordinance. According to the ordinance, a citizen could not even hold a Boy Scout meeting in his own home!!

Immediately after his trial in Municipal Court, Capt. Forbes hurried over to another Courtroom to fight his landlord who is seeking to evict the Forbes family from their home! Along with court room battles, Capt. Forbes and his brave men have had to defend themselves and HQ property from attacks by Jew troublemakers. In one instance, Capt. Forbes performed a successful citizen's arrest on two troublemakers who did damage to the HQ building. Capt. Forbes took them to Police Headquarters and later dropped charges after procuring a promise from the vandals that they would pay for the damages.

RACE-MIXING SCUM STAGE SIT-IN: ATTORNEY GENERAL KNEELS BEFORE THEM!

You had to see it to believe it! The Attorney General of the United States of America on his hands and knees before a pack of "civil rights" niggers and beatniks who were staging a "sit-in" at the Justice Department!

It would have made any decent citizen sick to listen to the Attorney General pleading on his knees for the sit-in scum to stop their demonstration. It was a sight that would have made any real man want to vomit. Katzenbach's disgusting performance was viewed over nation-wide television. Millions of Americans saw our National Law Enforcement Officer grovelling on his knees before a gang of beatnik law-breakers. What kind of example does Katzenbach's performance set for law-abiding young people? How does it help encourage respect for the law?

Katzenbach has disgraced and dishonored the office of Attorney General. He has humiliated himself and his office of trust. By his degrading and unmanly conduct, Katzenbach has displayed ample proof of his unfitness to serve as the Attorney General of 170 million white Americans.

What really hurts is that this incompetent buffoon is THE boss of a man like J. Edgar Hoover and the FBI.

It was a refreshing sight to watch the strong and vigorous stormtroopers of Commander Rockwell's American Nazi Party marching outside of the Justice Department in protest to the "civil rights" demonstration.

AMERICAN NAZIS Counter-picket peace-creeps on Pennsylvannia Avenue across from the White House. One Nazi broke from the picket line to smash a record machine which beatniks set up to play nigger jazz!

Nazis Say: "Peace Creeps Must Go!"

Thousands of the worst human specimens conceivable descended on our nation's capital to protest the war in Viet Nam.

Peace-creeps and beatniks shuffled along in front of the White House singing their sick song, "We Shall Overcome".

Across the street a counter-demonstration was staged by American Nazis. The U.S. Nazis chanted "gas the peace-creeps" and other anti-pacifist slogans. Signs carried by the ANP demanded "Peace Creeps Go Home" and "We Want Dead Reds."

The peace-creeps responded with "Nazis must go!" a national chant used by civil rights cruds and pacifists.

The only incident that occurred was when a peace-creep took up a spot near the Nazi picket and began playing Commie folk songs on a record machine.

Stormtrooper Lee Larson, 21, (shoe size 14), charged at the peace-creep and with a powerful leap, he landed on top of the record player, smashing it to bits. Larson was tackled by a squad of police and taken into custody. Fifteen minutes later he was back on the picket line. One newspaper account of the incident described Larson as "particularly hateful!"

One moderate supporter suggested a way by which we could put a permanent end to "peace" demonstrations. His plan is to gather up, at random, about a thousand peace-creeps, strap parachutes on them and load them aboard flying box-cars, fly them over North Viet Nam and then push the creeps out!!

U.S. Nazis Battle Zionists

American Nazi Robert Martell clashed with Zionists outside Nourse Auditorium in San Fransisco during an anti-Zionist picket.

Carrying a sign proclaiming "Zionism is Treason," Martell and his squad were rushed by a screaming bunch of greasy Jews. Martell and Jews scuffled briefly before police broke up the fight. No arrests were made.

Prior to the scuffle, Jews kept running up to the Nazi Picket screaming and showing off their "tatoos!"

God Bless The Boston Irish

You've just got to hand it to the Boston Irish. When city "civil rights" workers sought to capitalize on the St. Patrick's Day Parade by injecting integration propaganda into the parade's theme, the Irish multitude of Greater Boston responded by heaping a deluge of beer cans, eggs, garbage and other appropriate items upon the niggers and white renegade scum.

Last year, the NAACP placed a float in the St. Patrick's Day Parade in an attempt to equate the Negro "struggle" to that of the Irish struggle for liberation. Needless to say, the float did not get as far as three city blocks before it was demolished. Irish temper was so hot on that particular occasion, that one Hibernian actually threw a kitchen sink out of his window at the NAACP float!!!

After the fracas, Nazi Robert Martell and police

This year, the NAACP float was conspicuously missing from the parade.

One tall nigger "lady" showed up for this year's parade with a green hat, green dress and a big button pinned to her bossom proclaiming: "Kiss me! I'm Irish!" Sure enough, someone answered her plea by cracking a whiskey bottle across her head!

ROCKWELL FOR GOVERNOR

NAZI LEADER TO RUN FOR GOVERNOR: George Lincoln Rockwell, American Nazi leader from Arlington, leans over desk to answer question posed by Levin Nock Davis, secretary of the Virginia Board of Elections (left) Monday after qualifying as a candidate for governor of Virginia. Rockwell will run as an independent. At right background is a Rockwell lieutenant, Robert Lloyd of Richmond. (Associated Press Wirephoto.)

They said we couldn't do it... well, we did!! On Monday, April 19th, Commander George Lincoln Rockwell filed as an independent white candidate for the Governorship of Virginia.

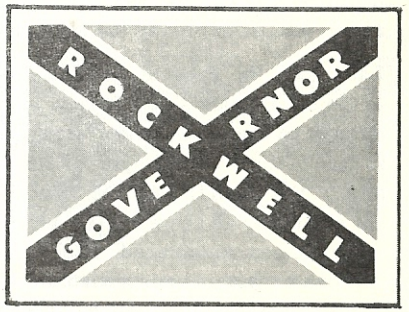
Commander Rockwell, accompanied by five aides, delivered petitions to the Virginia Board of Elections containing more than enough signatures to qualify for the ballot. Supplementary signatures will be filed until the last day of filing in case some names are disqualified.

During a heavily attended press conference at the Marshall Hotel in Richmond, Commander Rockwell answered questions of reporters and outlined his program for Virginia.

As usual, the Jew "war veterans" protested and demanded that Commander Rockwell not be certified as a candidate! The Jew "war veterans", although claiming a strong belief in the U.S. Constitution, are seeking to deny Commander Rockwell his Constitutional right as an American, to seek public office.

The Socialist Labor Party, which is a radical left-wing and near Communistic movement, is also on the ballot in Virginia. The Jews have never uttered a peep of protest against these

Citizens are eagerly signing additional petitions. It is difficult to describe just how anxious many people are to see Commander Rockwell become the next Governor. Virginians are sick and tired of Niggers, Jews, Commie agitators and sell-out politicians.



Commander Rockwell is the only candidate who has announced he is running as a candidate of the "White Christian Majority".

Chicago Nazis Demand Release Of Rudolf Hess

CHICAGO DAILY NEWS,

Consulate Here Bars U.S. Nazis

Three storm troopers from the American Nazi Party were refused admittance to the German Consulate Monday to present a petition protesting "the lack of free speech for all West German citizens."

"We were referring mainly, of course, to the National Socialists in West Germany," said George Boissonnault, 18, party spokesman.

Anton Rosiny, consulate press and cultural officer, said the three men were turned away from the consulate at 104 S. Michigan when employes noticed they were wearing brown Nazi uniforms with swastika arm bands.

"We aren't interested in anything they have to say," Rosiny said.

BOISSONNAULT said the petition condemned the imprisonment of Rudolf Hess, Germany's onetime deputy fuehrer, leader of the Nazi Party and Hitler's closest friend.

"His only crime was trying to stop the war," Boissonnault said.

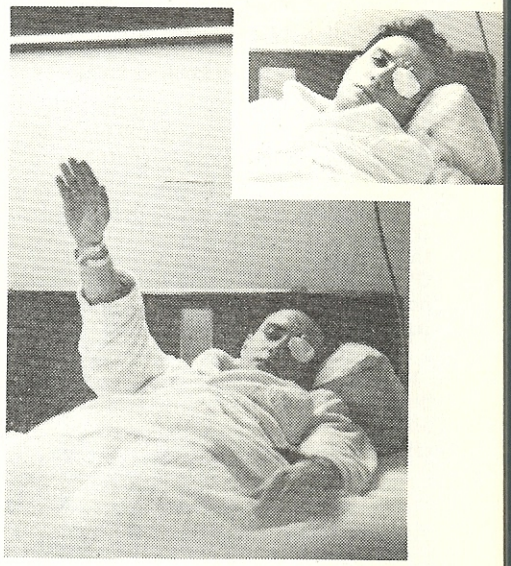
(Hess flew alone to Scotland on May 10, 1941, to try to convince British leaders they should make peace with Hitler. He has been imprisoned in England and Germany ever since.)

The storm troopers also protested the West German government's recent extension of the statute of limitations for the prosecution of Nazi war criminals to 1970. The statute would have expired on May 8.

Dallas Nazis Set Free

Three Dallas Nazis, Al Gray, Jimmy Carroll and Lee Carpenter, were arrested while picketing against niggers. One Nazi in blackface was arrested for "impersonating a nigger"! All 3 Nazis were freed after a jury trial.

American Nazi Blinded In One Eye By Jew Gang!



Roy Frankhouser, Jr., an American Nazi Unit Organizer in Reading, Pennsylvania, underwent surgery for the removal of his left eye.

Racial Comrade Frankhouser was the victim of a brutal assault at 2 a.m. in front of a local tavern. A gang of unidentified Jews, apparently recognizing Frankhouser, who is well-known in Reading, set upon him and beat him unmercifully with lead pipes.

Frankhouser has been given city-wide publicity by one of the local papers. His picture was printed on one-half of the entire front page of the "Berks County Record". This particular newspaper, published by Gerry Korbin, has smeared Frankhouser and Nazis as "subversives"! Many local citizens, believing the foul lies of the "Berks County Record", labor under misconceptions and are unaware of the true and legal objectives of the American Nazi Party.

WHITE FAMILY LIVES IN TERROR IN INTEGRATED PROJECT

Take a good long look at the faces of the O' Neal family in the accompanying photo. Their life is a nightmare, riddled with fear. The O'Neal's live in an integrated housing project!

Mr. and Mrs. O' Neal and their five children have been repeatedly insulted threatened and attacked by their Negro neighbors. The O' Neal's and other white families living in the Hayes Valley Housing Project, are afraid to let their children out to play. Mrs. O' Neal cannot go out alone to the corner grocery store without fear of being attacked!

It is indeed surprising that this story was ever printed. Usually, the newspapers make sure we read ONLY about the so-called "successes" of integrated life.

But somehow, news of the plight of the O'Neal family got out. The O'Neal story is not an isolated incident. What is happening to the O' Neal family is being repeated a thousand times every day in every integrated neighborhood across America.

Mrs. O'Neal and other white women living in the project have repeatedly asked the Police for help. The Police REFUSE to even investigate for "fear" of causing a riot!! Perhaps the Police will answer the call after one of the small white children is stabbed to death, or when Mrs. O' Neal is raped in her hallway?... Perhaps...

But don't think the Police have ignored the matter entirely. Just wait and see what happens if a white man, in defense of himself and his family, strikes a Negro -why, the entire Police force will be out... to arrest the white man, of course!

With the hands of the Police tied because of Jewish and Negro political pressure, white people are helpless! Lack of swift police action will only

A White Minority Pleads for Help

'Terrorism in Hayes Valley'

By Mike Culbert

"If I could go back to Australia I'd go"—said an irate mother of five.

"None of the white women can dare go down to the corner grocery store without being insulted, accosted, or followed — and sometimes attacked," said another, a mother of six.

"I don't want to go to school there because they knock people down and beat them for doing nothing," said a seven year old boy.

All live in the Hayes Valley Housing Project on Haight and Buchanan Streets.

ALL ARE white—members of a minority in the area — and all are both scared and fighting mad.

Mrs. George O'Neal, the native of Australia, told the News Call Bulletin Monday she had put in another complaint to the police—this time when her oldest girl, she said, was beaten up by Negro girls, one of whose mothers took part.

She said police told her they could not come out to investigate for fear of "causing a race riot."

REPRESENTATIVES of five Hayes Valley Project families aired similar complaints — inadequate police protection, children terrified of going to school (John Muir Elementary) because they are picked on "just because they're white," threats, fights, and daily abuse of all kinds.

Mrs. O'Neal said a year ago she had received a letter which threatened to "decapitate your whole family."

"You're in the black belt now so you'd better watch your step. The chain across your door won't save you," she said the letter warned.

THE O'NEALS turned the letter over the police, who promised an investigation — but nothing happened.

Another resident of the project — which is about equally divided between white and Negro families— said "some mothers would rather keep their kids home than send them to school."

The mothers claim that the heavily Negro elementary school provides no safeguards for white children.

"Whole gangs of Negroes beat up the kids, rob their lunches, search them for nickels and dimes, call them dirty names," a woman said.

CRIME in the area is generally on the rise, the disturbed parents say—cars left parked on nearby streets have their windows smashed and even males walking alone cannot be certain they won't be held up.

One man said he had been held at knife-point and robbed twice in the same evening by the same group of assailants.

One mother said she had been accosted twice in the early evening and followed "right up to my door."

They'd go back to Australia if they could . . . Mr. and Mrs. George O'Neal, with four of their five children

encourage and increase Negro intimidation of White People.

Who then, really cares what happens to the O' Neal family and other whites living under similar conditions of fear and violence? Certainly not the politicians! The politicians depend on the minority block vote to get elected and to stay in office. And besides, the politicians don't have to live in an integrated neighborhood, nor do THEIR children have to attend integrated schools!

Millions of White Americans, like the O' Neal's, have awakened to the TRUTH about integration. No longer will they fall victim to the lies pushed in the papers, radio and T.V., about "brotherhood" and "equality", and the so-called "poor, persecuted Negroes".

It won't be long before millions of people like the O'Neal's begin to look for an answer. They will find the only answer in Commander Rockwell and the American Nazi Party, the ONLY man and movement truly fighting for the welfare of the White Majority.

Simply worded and emphasizing FREE literature, little ads like this are beginning to appear in local town-papers across the nation.

NEGRO EMPLOYMENT OPPORTUNITIES. To improve their images, obey the law and promote equality, American corporations are making a determined effort to hire talented Negro college graduates. A Negro graduate in engineering now receives twice as many employment offers as his white counterpart, 16 to 8. Negro graduates from Ivy League colleges are overwhelmed by offers, receiving as many as 40 each. Personnel scouts from large corporations are also canvassing Negro colleges, a practice rarely engaged in heretofore.

WHERE IS HORST EICHMANN?

Nazi Revolution In Argentina?

From our Latin American Correspondent:

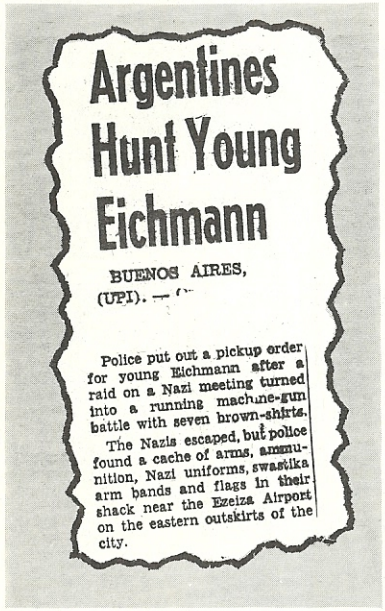
Where is Horst Eichmann? This is a question being asked by many interested persons throughout Argentina. The disappearance of 24 year-old Horst Eichmann, the son of Adolph Eichmann who was illegally kidnapped and murdered in Israel has set off a series of rumors.

Young Eichmann, who is a leading member of the Argentina Nazi Party, disappeared mysteriously from his home several weeks ago. No trace of him has been found.

ABOVE: Photos appearing in an Argentina newspaper. Top photo shows Nazi paraphernalia and weapons found by police in what they claim was a Nazi hideout. Other photo shows the side of the Nazi hideout where windows were shot out by police gunfire.

Immediately after his disappearance, certain incidents occurred that have been unofficially linked with Horst Eichmann. One incident in particular was reported by the Police. While searching the heavily wooded area near Ezeirza International Airport, Police stumbled across a reputed Nazi hideout and found themselves in the middle of a furious gun battle. Machine gun fire was exchanged by both sides before the as-

sailants disappeared into deeper woods as police reinforcements arrived. In an old building, camoflouged with branches, police discovered a cache of arms, Nazi armbands and uniforms. A list of names of left-wing Jews who are trying to push the country into the hands of the communists or are known financial supporters of communist aims in Argentina was also discovered. Police believe that the list of Jews were in line for assassination.



Argentines Hunt Young Eichmann

BUENOS AIRES, (UPI). —

Police put out a pickup order for young Eichmann after a raid on a Nazi meeting turned into a running machine-gun battle with seven brown-shirts. The Nazis escaped, but police found a cache of arms, ammunition, Nazi uniforms, swastika arm bands and flags in their shack near the Ezeiza Airport on the eastern outskirts of the city.

One rumor holds that young Eichmann is the victim of the same evil plot by which his father was kidnapped by Israeli secret agents. Another rumor declares that Horst Eichmann has gone into the mountains from which he will conduct a popular guerilla type war against the communists and begin a general uprising among the workers and farmers.

Until further definite word, this is the situation in Argentina.

BRITISH NAZIS DENIED FREEDOM OF EXPRESSION

London: NSM member, Gerald Lawman, who was sent to prison for three months at the beginning of February for Nazi activity, was recently released, only to be arrested at the prison gate for "breach of probation"! This brave young fighter of eighteen is now serving an additional six-months' imprisonment. It should be noted that comrade Lawman was charged with painting swastikas all over former Foreign Secretary Gordon Walker's Campaign Headquarters.

Four other NSM Members also went to jail recently when they refused to pay the L200 ($560) imposed on each of them for allegedly painting Nazi slogans on walls in the town of Warwick. They are Birmingham Branch Leader George Newey, (3 months); Leamington Group Leader Robert Relf, (3 months); and John Richards and James Bradly, who each received a one-month sentence. Thus does "Democracy" penalize Patriots!

Still another Nazi, Coventry Branch Leader Pat Webb, has his case pending for allegedly painting slogans in that area.

According to English law, no action can be taken against a person for painting slogans on a public wall, unless he is actually seized on the spot.

Jews are now seeking passage of "Anti-Race Hate" laws which aim to cut off free speech for the British Nazis!!

The Jew cab driver (see last issue of Stormtrooper) who was arrested and fined for assaulting Mrs. Jordan, has since fled to Israel where he was greeted as a "hero". The Jew cabbie revealed that he was happy to be in Israel. "Pressure was building up against me," remarked the Hebe.

"I was persecuted so much that I thought it best to leave the country." Good riddance!

CHILEAN NAZI LEADER IN PRISON

Santiago: Franz Pfeiffer, Commander of the National Socialist Workers' Party here, was arrested 22 April, and immediately began serving a three-year jail sentence for allegedly bombing a synagogue in 1958.

CHILEAN NAZI LEADER Franz Pfeiffer now serving three years in Chilean prison.

On 20 April, two days before Pfeiffer's arrest, the Chilean party staged a huge rally celebrating the birthday of Adolf Hitler. On 30 April a special mass was held in one of Santiago's biggest churches in memory of the Führer.

The World Union of National Socialists (WUNS) is planning a series of demonstrations protesting the jailing of Pfeiffer at Chilean embassies and consulates around the world.

A NEW NAME FOR HITLER: 'GENIUS'

THE legend runs: "Adolf Hitler was a mad housepainter, an ex-corporal who led Germany to military ruin by ignoring the advice of his generals." Nowhere is this explanation more popular than among the defeated German generals.

But Mr. Alan Clark, one of the most brilliant of the young post-war British military historians, says: "The legend is rubbish. Hitler was a military genius comparable to Napoleon.

"In many of the major decisions he was right and his generals wrong. He was certainly not mad, at least not until after the assassination plot of July 20, 1944. By then the war was lost so it didn't matter.'

Mr. Clark, 37-year-old son of Sir Kenneth Clark, the art historian, bases this controversial assessment of the Fuehrer's military ability on the four years of research he made for his book, "Operation Barbarossa," to be published by Hutchinson at 63s

Code

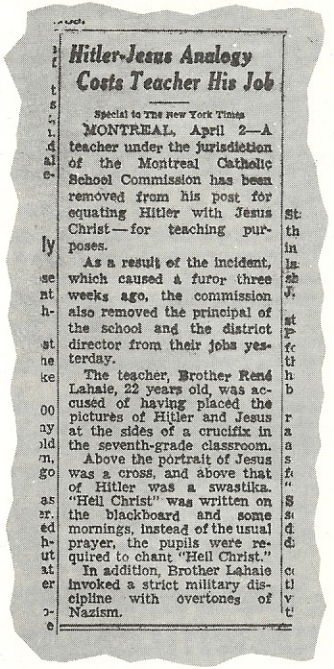
"Barbarossa" was Hitler's code name for the attack on Russia in 1941.

Mr. Clark says: "No truly objective historian can refrain from admiring Hitler.

"His capacity for mastering detail, his sense of history, his retentive memory and his strategic vision—all these had flaws but they were brilliant nevertheless."

FEAR OF THE JEWS

Below, a news story from Canada tells of a teacher being fired from his job because he compared Adolf Hitler with Jesus Christ.



Hitler-Jesus Analogy Costs Teacher His Job

Special to The New York Times

MONTREAL, April 2—A teacher under the jurisdiction of the Montreal Catholic School Commission has been removed from his post for equating Hitler with Jesus Christ—for teaching purposes.

As a result of the incident, which caused a furor three weeks ago, the commission also removed the principal of the school and the district director from their jobs yesterday.

The teacher, Brother René Lahaie, 22 years old, was accused of having placed the pictures of Hitler and Jesus at the sides of a crucifix in the seventh-grade classroom.

Above the portrait of Jesus was a cross, and above that of Hitler was a swastika. "Heil Christ" was written on the blackboard and some mornings, instead of the usual prayer, the pupils were required to chant "Heil Christ."

In addition, Brother Lahaie invoked a strict military discipline with overtones of Nazism.

The teacher would probably still have his job--plus a promotion--if instead of Hitler, he had hung up a photo of Martin Luther Coon.

HITLER MUSIC BEST SELLER

A record, smearing Adolf Hitler and the German National Socialist Movement, has shot to the top of the best-seller list of long-playing records in London.

Although the record contains some very inspiring marching songs, the narration heaps lie after lie upon Hitler and National Socialism, ending with top German Nazis "pleading" before the court at Nuremburg for "war crimes".

It is interesting to imagine what would have happened had the "shoe been on the other foot." Surely, Eisenhower, Truman and others would have been brought to trial as "war criminals". What crimes? Why, the bombing of the heavily populated city of Dresden where 175,000 civilians perished, for one. And let's not forget Heroshima and Ngasaki!! . . . To name a few!

We won the war. . . . therefore we are the "war heroes"--and those who lost the war are the "war criminals". Or were they??

Milan: Domenico Leccisi, an Italian Fascist who helped steal Mussolini's body from its first postwar grave, announced in Milan that he is forming a new Nationalist Party.

Leccisi and other Fascists arranged the removal of Mussolini's body from its first grave to protect it from desecration. The body was recovered and kept hidden for years by the government until it was finally buried at Predappio, Mussolini's birthplace.

U.S. NAZIS ADVOCATE UNION WITH CANADA

At a meeting of the Headquarters Division of the American Nazi Party in Arlington, Virginia, Commander George Lincoln Rockwell announced that henceforth, racial and geographical UNITY with the people of Canada will become a definite objective of the American Nazi Party.

There is such great similarity between both Americans and Canadians that one can hardly tell the difference upon crossing either border. Canadians, chiefly of English and French descent, are racially and culturally linked to white Americans moreso than any other group in the entire Western Hemisphere.

In the end, what North American Nazis seek is one unified nation incorporating all of Canada and the U. S. A.

Arlington: The World Union of National Socialists, whose activities and growth have been suppressed in world news, advances steadily towards its goal. Never before in the history of mankind, has a movement which seeks the world-wide unification of all white people, gained so many of its objectives so rapidly.

Now at last, the white people of the earth have an internationally organized movement opposed to the Communist International. In practically every major nation on earth, National Socialist organizations have sprung up and raised the swastika banner. Today, the controlled press refuses even to acknowledge our existence. News of WUNS activity is kept to a bare minimum if not entirely blocked out.

Know Your Party Officers

Robert A. Lloyd III

American Nazi Party Security Officer and a Captain in the U.S. Stormtroop Section

Captain Robert A. Lloyd, III., is the Security Officer of the American Nazi Party and is presently responsible for much of Commander Rockwell's Virginia Campaign.

Captain Lloyd is a native Virginian; he was born in Richmond on January 3, 1944, and lived there all his life until he became a Nazi trooper at National Headquarters almost four years ago. He attended public schools in Richmond. Since integration was a big issue in Richmond during his high school years, he was directly affected, and began to take an interest in race. His parents, very outspoken segregationists, provided him with the right ideas about race early in life.

In the tenth grade Capt. Lloyd was transferred to a high school that was infested with a large percentage of Jews. This was his first real experience with Jews, and he shortly discovered the obnoxiousness of "God's Chosen."

At the end of his junior year in high school, (at a different non-Jewish school), he was visiting the National Gallery of Art in Washington D.C. with some friends. Having left the museum for awhile, he observed a riot in progress on the mall beside the building. It was the riot described in the opening chapter of Commander Rockwell's book, THIS TIME THE WORLD. Capt. Lloyd described his impression of the incident as looking like a 1930 brawl between Hitler's Stormtroopers and the communists. Although he was nearly a block away, he could see the outnumbered troopers battling heroicly against overwhelming odds before being completely engulfed. Platforms were overturned and the swastika torn down, despite the frantic efforts to protect it.

As he grew nearer, he noticed one important characteristic of the mob: Most all of the aggressors had the same unhealthy yellow skin, pulpy noses, and kinky hair as the disgusting swine he had been thrown with in the tenth grade....they were Jews!

Today Capt. Lloyd feels that it was an act of Providence to have witnessed such an important scene in the Party's history. He left somewhat dazed, never having seen such a bloody spectacle before. He did nothing about it at the time, but the scene left an indelible mark on his memory, serving to shape much of his future.

(continued on next page)

Capt. Lloyd -Continued

In the winter, about six months later, he was drinking at the studio of an artist friend in Richmond when he saw his first Nazi literature. It was the Party Program, the exact same one that the Party still publishes. All he could remember about it through the haze of alcohol and smoke were the "swastikas" and "Arlington, Virginia."

With no real purpose in his life, Capt. Lloyd, like hundreds of thousands of our youth, began drinking, smoking and generally going downhill. He describes that time and the months that followed as the most degenerate period in his life. It was then that Capt. Lloyd indulged in much decadent living, including almost marrying a former schoolteacher who was five years older than he!

In the summer months that came on, Capt. Lloyd was more spiritually deflated; being preoccupied at that time with politics, he knew that something was grossly wrong with society, but could not clearly ascertain what it was. He was on his way down the beat road that many idealistic young people travel in search of what's wrong with the world. At that time he was reading extensively everything from Schopenhauer to Spinoza, and even Karl Marx. It was his diversified reading that led him to MEIN KAMPF. "When I read MEIN KAMPF," he said, "everything that had been unsettled in my mind began to fit together: Jews, Niggers, race, the Riot I had seen, and ultimately Arlington, Virginia."

It was only about a hundred miles away, and before he had even finished reading Hitler's Great Book, he was on his way. On July 4th he showed up looking like the bum he had been for so long. After loading up on literature and Commander Rockwell's book, Capt. Lloyd returned home. So impressed was he by everything he read, that he returned shortly thereafter to Arlington to become a Nazi trooper and serve his probationary period. He junked all of his evil vices and began the life of a decent, clean-living young man

Since that time, Capt. Lloyd has risen steadily in the Party to his present rank. He has been in countless demonstrations and been to jail on many occasions. He was the U.S. Nazi who gained entrance onto the floor of the U.S. Congress. Young Niggers all over the country remember him for breaking up the NAACP youth banquet last summer at their convention by grabbing the speaker's platform and addressing them on the subject of going back to Africa on leaky boats, and then throwing fistfulls of tickets.

Investigators have discovered the inside story of the scene in Montgomery when 400 niggers "relieved themselves" at a given signal in the street. Seems Martin Luther Coon sent down word for a "sit-in" and the coons misunderstood and thought he was using their favorite word.....A nigger woman who joins the Army is now called a "WACOON" !

Bobby Kennedy has called for the control of sale of arms to Racist and anti-Communist groups...BUT, not one word about denying arms to such groups as the "Fair Play for Cuba" Committee and the Communists WHO KILLED HIS BROTHER, JFK!! -U.S.Constitution clearly states the right of the people to keep and bear arms shall not be infringed..(unless you are an anti-Communist!)

Jews in Melbourne, Australia have forced the mayor, F.I. Smith, to remove the ancient Swastikas from the floor of the town hall, which is used for meeting of the Australian Zionist Organization.

...Authorities were planning to arrest and charge us for our famous sign: "Who Needs Niggers?" until we made it clear we would produce witnesses on the question, "Who DOES need niggers?" They couldn't prove their side, -so no prosecution.

British Hebes having a fit that the Queen is now meeting Hitler's successor as Feuhrer, Admiral Doenitz, Alfred Krupp, Hans Globke and other "dirty Nazis", even though these gents have made endless genuflections to world Jewry....

Marine Corps experts are now teaching Congressional Secretaries JUDO to defend themselves from the local nigger talent. (Honest)! ...Washington Evening Star Paper for March 22 reports that the scientists have discovered mosquitoes prefer "dirty bodies" and that experimenters therefore use NIGGERS. That's "NEWS" ?

...Same paper reported that Bobby Kennedy had an attack of "nausea" just before addressing the United Jew Appeal. Brace up, little brother, -Jake learned to overcome the natural heaves at all those Jews; you can too!...An AP story out of Atlanta reports "A Negro motorist was killed by police gunfire yesterday after he sank his teeth into a patrolman's ear and refused to let go". -natives are getting hungry down Georgia way...

Local kids keep telling us why they build Synagogues round (So the Jews can't hide in the corners when they pass the collection plate) and why Jews have such long noses..(cause the air is FREE).

Texas Nazi, Jerald Walraven, blasted the Jews, race-mixers and niggers for a full hour on Houston radio in the best tradition. He was arrested when he followed his blast with a picket against a safari of Jigaboos.

Nazi In U.S. Congress

Dear Captain:

Just a short note of congratulations on your very successful appearance at the U.S. Congress on Monday. All three networks gave you good coverage in Connecticut.

One thing that really seemed to slay the Commentators was just how you got in the building without being seen. Again congratulations on a good day's work well done.

Capt. LLOYD in Congress

Dear Sir:

My personal congratulations to Mr. Robert Lloyd for his extraordinary and most amusing action taken on the floor of the U.S. House January 4th. I never laughed so hard in my life while recognizing the seriousness of the motives behind the demonstration.

This is another Nazi first in the battle for the preservation of our Race and Nation. As an admirer of direct action I hope to hear more about these dynamic undertakings in the near future.

Send me your "Stormtrooper" publication right away so I can read first hand about your Movement instead of through the Jew press.

After reading the libel in your magazine I have come to the conclusion that you are a group of sub-normal barbaric bigots whose average IQ is under 40.

Your cartoons are very disgusting.

Your jokes could only appeal to someone with a perverted sense of humor. The occasional fact in your stories is twisted way out of proportion proving that figures don't lie, but liars figure.

History Repeats Itself

Dear Sirs,

I have been reading Hitler's book--"MEIN KAMPF"--and I was both startled and impressed at the fact that to me it appears that the book could have been written about America today. It is so much a description of present-day America that I feel compelled to look deeper into the workings of the ANP. I have already ordered an assortment of your literature and am enclosing money for the purpose of subscribing to the Stormtrooper.

DEFEATISM MUST GO

Dear Editor:

One thing that makes me sick is to hear students talk about the "inevitability" of integration. Everybody seems to be convinced that integration is "inevitable", so why fight it?

Most students have been indoctrinated with this defeatist propaganda that integration is "inevitable" and that therefore we should do nothing to fight or oppose that which is "going to be."

This reminds me of how the Japs used to broadcast to our troops in the Pacific that their victory over America was "inevitable" and that therefore we should give up and surrender.

I wonder what would have happened if American soldiers believed in the "inevitable" victory of the Japanese?

Commander -Continued

There are mighty efforts being made to keep quite what happened then but, as near as I can reconstruct and hypothesize, Mrs. Brown tried to work Charles Self into enough of a jealous rage that he would shoot Pearson with a .38 calibre pistol she brought along. When Self could not be made to do it, Mrs. Brown seized the gun and fired point-blank at James Pearson, driving a bullet into his stomach, and another into the back of his neck to finish him. Colorado papers leaked that Mrs. Brown was screaming "Now six million Jews can rest easier!"

Again hypothesizing, because authorities are keeping details as quiet as possible, Charles Self, horrified at what he was mixed-up in, decided to get the hell out as best he could and he talked and led detectives to the place where the gun was hidden.

Mrs. Brown was put on trial. Since I was in the area speaking at colleges, I attended the preliminary hearings. When her lawyer pointed me out to Mrs. Brown, (I was sitting right behind the barricade behind her), she turned on me with such a look of pure burning HATE as I have rarely seen in my life.

Now she has pled "insanity", I understand, and will probably escape with a few years in a mental rest home.

James Pearson has been the first of us to fall, foully assassinated.

Many of the rest of us will fall, before the filth of Communism, Zionism, Beatnikism and degeneracy have been driven back into the foul darkness whence they crawled.

Less than a week after James Pearson was shot to death for his beliefs as a WHITE man, a woman was shot riding around in the night with a colored man on a road in Alabama, helping to spread the openly communistic, race-mixing conspiracy.

The President of the United States rushed onto national Television and roared vengeance against the White Race defenders for trying to repell the un-American, pro-Communist invaders of Alabama, The world shook to the roots with the howls of rage and hate from our supposedly neutral and fair press.

But there has been no outcry at all about a White Man who was taken into the mountains by an evil woman and murdered, -not even a story in any paper outside of the areas concerned. The episode has been buried away and forgotten by the fakers who so piously pretend to love peace and fairness of justice!

But WE will not forget you, James Pearson. We will remember, and we will avenge you, -a thousand times over!!!

There will one day be a monument where you fell, shot to death, the first American Nazi martyr to our holy Cause! And there will one day be a still greater monument to you, James Pearson, and all of us who may fall, as you did, in this fight.

There will one day be a clean, wholesome, WHITE AMERICA!!

No human being alive could die for a better Cause nor for a finer monument!

Hail to you, James Pearson!

Thank You, Jews!

A few years ago when I first started speaking at colleges and universities around America, the Jews used naked VIOLENCE to try to stop me. A Hebe named Ed Cherry walked up onto the stage when I was speaking at San Diego State College and suddenly hung one on me. Then there was a nice, medium-grade riot, in which I got pelted with rocks and my car windows were kicked in. (For Jew Cherry's part in this act of Jewish "love" and intellectual "tolerance," Walter Winchell--real name Isidore Lipshits--made him his assistant and congratulated him publicly!)

But this didn't do too well for God's Chosen SOBs, since this violence brought me millions of dollars worth of free publicity on national TV, radio and front pages. So the Hebrew "quarantine" squad went into action and it was decreed that, henceforth, I was to get NO notice, if possible, and the local Jew "talent" at each college were to be "good boys" and not to apply the fists or rocks of Jewish "brotherhood" to me.

The new technique was to enforce brutal SILENCE in my audiences.

"NO REACTION!" was the new decree. "No matter what Rockwell says or does, do not react!" And I will admit that if the students were able to do any such thing, it would be rough on me.

I know, because the audience at Antioch College--perhaps the reddest college in the USA, where some students arrogantly boasted to me they were "Communists"--was able to maintain almost absolute silence. It was like talking to an audience of rocks. I managed to bust through the disciplined silence from time to time. But, for the most part, they sat with the iron discipline of the Communist Party. If other schools were like Antioch, the "dead audience" treatment would work.

But I have never found another school like Antioch. I don't think even Harvard could equal tiny Antioch for the hard-core discipline I saw that night in Yellow Springs, Ohio.

At all other universities and colleges, there are plenty of rabid reds, liberals, nigger-lovers and peace-creeps, to be sure, but there is little of the iron discipline of Communist Party soldiers.

Had the Jews kept up the violence and attacks, I could never have learned how to speak well at colleges, because the invitations would have stopped.

But the Kikes, ever fearful of giving me "publicity", keep trying to get the thousands of students at ordinary colleges and universities to apply the disciplined silence of Antioch. This, in turn, brought me more and more invitations, since there was no danger of violence, and gave me the precious opportunity to learn how to

Eartha in her $1,000 monkey dress

The 'In' Skin: A monkey suit is one thing. It can be a tuxedo or a uniform. But what is a monkey dress? It is something worn by singer EARTHA KITT, 37, perhaps to further an ambition she once expressed: "When I'm 110 years old, I want people to remember Eartha Kitt." For a performance at the Palladium, she made herself the talk of London by buying a $1,000 gown made of monkey fur. To keep the skin as sleek as her own, Eartha has been advised to stroke it every day with a brush dipped in cold water. And feed it bananas?

Audience 'psyched' at Rockwell's talk

EDITOR:

The "white shirt movement" at Antioch worked because George Rockwell's performance was intended to arouse emotions. The students sat quietly through his entire speech giving him no reaction whatsoever. This is perhaps the most difficult of public speaking experiences.

BUT ROCKWELL is no dumb boy. The white shirt protest at Ohio University was well publicized all over campus. So he completely changed his psychological approach.

Instead of damning the Negroes, Catholics or Jews, he presented his best "good guy-funny man" image. And from his very first joke, which gauged audience sentiment, to the very last, Rockwell had the audience in his proverbial hand.

THIS IS NOT to say that anyone will believe Rockwell a week from now. Very few are that undiscerning. But through the use of documentation (which was stressed only at the appropriate times) he had many, many people in the audience really wondering if the world has been defrauded for the last twenty years; if maybe six million Jews were not liquidated during World War II; if history books the world over are wrong and atheist Jews did cause the Russian Revolution.

It is disappointing that anyone, even momentarily, was unable to see through these absurd "facts."

BUT ROCKWELL is a great public speaker. He lowered his level to that of the audience to facilitate a maximum flow of ideas. This lowering was accomplished by the use of such childish jokes as Barry Goldfink. (Steve Allen, extensive user of the word "fink," once said that his type of humor intrigues grade school children.)

In short, the intellectual level of Rockwells performance was lowered to childishness and absurdity. Yet the audience responded favorably, giving him positive feedback.

It is both surprising and disappointing that the students of Ohio University fell game to such a performance. But Rockwell had us completely "psyched" when he addressed us as "boys and girls."

Audience control dismays Jew

EDITOR:

As a member of the Jewish faith, I was interested in seeing a man who advocates a policy in support of a system which led to the liquidation of millions of Jews and Christians just 20 short years ago.

WEDNESDAY NIGHT I was dismayed and discouraged by the reaction of the audience to his doctrines of hate and bigotry. Rockwell, an expert at his trade, was disturbingly well received by the students of Ohio University.

This demagogue held the audience well under his control from the moment he elicited a response from his rather tastless barbs at the number of white shirts in the crowd. At Antioch the students had used white shirts as a badge of resistence to these hateful ideas, but all Ohio University students could do was laugh at an effort by some people to combat this man and what he stands for.

FROM THIS MOMENT on Rockwell exploited his rapport with the audience by further remarks on a rather crude level which found general acceptance. It was very edifying for me to learn that the Jews had engineered the Russian revolution after my whole family had been shot as counter revolutionaries, but I guess Mr. Rockwell had the facts before him.

I am not saying that all who heard this man speak, or even a few, were converted to his cause, but the inability of the audience to see through his fradulent presentation of misrepresented ideas used completely out of context shows a general lack of student sophistication.

Leonard Rubinstein
Washington Hall

beat them at their own game. And I HAVE learned how to smash their "dead audience" bit.

A mimeographed sheet was passed out all around Ohio University before my speech advising all students to wear white shirts and white blouses, and to remain absolutely silent during the entire speech.

I arrived in Athens, Ohio, for this speech only a few minutes before stepping out onto the stage and never saw this sheet until I got back here to Arlington and one was mailed to me by a student who was disgusted with the Jew tactics.)

Now read THIS editorial piece in the Ohio University paper about the RESULTS of their little scheme!

When I stepped out on the stage at Ohio University I was suddenly faced with a very odd sight, and, so help me, I knew nothing of the cause. I had NEVER seen it before!

The students, thousands of them, both men and women, were wearing WHITE shirts!

At most schools, the Jews pass out yellow, six-pointed stars, which many students pin on to demonstrate their hot love for the wonderful Jews. (Once, at the University of New Mexico, before I spoke, a Jew came up and pinned a BIG Jew Star to the speaker's stand in front of me. I took it off, drew a Hammer and Sickle in the middle of it and pinned it back up!) And there are often picket signs, sometimes even in the auditoriums. But that vast hall was a sea of WHITE, and I was taken aback for a minute.

Then, knowing college kids as I do, liking them and understanding them as I do, (and the Jews don't), I asked, even before beginning to speak, "I see you all wearing white here, tonight. What is this, a college full of VIRGINS? You guys, too? You all virgins?"

The kids howled and the whole Jew plan went down the drain into a receptacle appropriate for such nasty Jew plans.

After that, as the Editorials report, I was master of that audience. The kids try hard to love niggers, but they holler when I mention "Martin Luther Coon". And I find even the word "Hebrew", spoken with the right inflection, brings on the giggles even from the Shabez-Goyim wearing the Jew Stars of David.

The kids have been prepared for a raging, fire-breathing MONSTER, and when they are confronted with a pretty likeable guy who forces them to laugh WITH him at the ludicrous Jewish fakers and nigger cannibals trying to pretend to be regular people, the Jewish lies and propaganda blow up in their repulsive Jew faces.

Thanks to the Jewish "dead audience" system, I have had the golden opportunity to learn to speak with a modicum of peace and good order, and to reach the minds of the students. While Walker, Welch and other such "nice" guys have literally been run off of stages in colleges by screaming and bedlam, our radical methods have forced the Jews to give me nice, quiet, well-behaved audiences for fear we will get publicity! I have then been able to USE this golden opportunity to drive into the minds of the students facts and documents they just CANNOT escape.

I have learned that, in 45 minutes plus a question period, you simply can't HOPE to educate raving liberals and nigger-lovers with the whole, dirty story of the Communist-Jew conspiracy of lies and hate. You can't even give them a tiny picture of the conspiracy itself.

But you CAN hit them with some smashing, documented FACTS from their OWN side which give them little rest from their own consciences. I have found the "killer" to be Winston Churchill's article in the London Illustrated Sunday Herald, for February 8, 1920, in which CHURCHILL, not some dirty " hatemonger ", writes unequivocally that the Russian Revolution was the product of JEWS. When you give them the exact quote and tell them how and where to look it up, they CAN'T claim you are a faker! And they can't attack Churchill! Then I recommend a series of books and documents they can get to check the rest for themselves.

I remind them that if they find that their own college is "blacking out" the honest facts about the Jews to them, they will know that I have spoken the truth, and there's lots more I didn't have time to tell them. They will go ahead on their OWN and learn the damning FACTS about Jew-Communism-Zionism and race-mixing as all of us once had to do.

Kids hate to be made suckers, and when they find that this is just what the Jews have DONE to them, when the kids read in the JEW Encyclopaedia how the JEWS boast about launching and promoting Communism, when the kids discover how they have been intellectually "taken", they turn on the Jew swindlers in a most satisfying and encouraging manner.
